Delta Counties Coalition & Delta Legislative Caucus to Host Public Comment Session on Delta Tunnel Draft Environmental Impact Report

WHO: **Delta Counties Coalition (DCC)**, including County Supervisors from Contra Costa, Sacramento, San Joaquin, Solano, and Yolo counties.

Legislative Delta Caucus (Senator Bill Dodd and Assemblymember Lori Wilson Co-Chairs) representing the counties of Contra Costa, San Joaquin, Sacramento, Solano and Yolo.

WHAT: The State is still pursuing a massive \$16 billion+ tunnel that would involve over a decade of construction, would divert up to 6,000 cubic feet per second from the Sacramento River, and would severely impact the Delta without providing a single drop of new water. Draft Environmental Impact Report (DEIR) comments on the Department of Water Resources' controversial tunnel proposal are due December 16, 2022. It is critical to the future of the Delta for people to attend this meeting and make their voices heard. The meeting will provide a brief overview of the project and include an opportunity to put your comments into the formal record. Assistance with written comment submissions will also be provided.

WHEN: Tuesday, December 6, 2022
4:00 p.m.-5:30 p.m.

WHERE: Willow Ballroom
[10724 CA 160, Hood, CA 95639](https://www.sacounty.gov/10724-CA-160-Hood)

For more information about the public comment session, contact Elisia DeBord, DCC Coordinator, at (916) 874-4227 or (916) 533-1872 (cell).

For those who cannot attend, additional information about commenting on the Delta Tunnel can be found at: savethedelta.sacounty.gov.

The Delta Counties Coalition (DCC) is an alliance of the California Counties of Contra Costa, Sacramento, San Joaquin, Solano and Yolo. The DCC works to give one voice to the Delta. The DCC has three goals: improve the Delta ecosystem, provide a more reliable water supply for the State, and protect and enhance Delta communities. The DCC works with local, state, and federal stakeholders to develop and implement solutions that address California's water issues in a comprehensive, sustainable manner. For more information about the DCC and its solutions to the California WaterFix visit savethedelta.sacounty.gov
